THE GOLD CLUB

- Completely portable and easy to use.
 - Comes with operators manual and video.
 - Add value to such items as jewellery, car badges, taps, door handles...
 - Thousands of items can be transformed with a rich 24carat gold stunning finish.
 - Produce a beautiful rich genuine gold finish which your customers will love.
- Your potential customers will be:
- Car Yards - converting plain old chrome car badges into stunning gold badges.
 - Jewellers - silver to gold, replating of old / worn objects.
 - Plumbers / Builders - gold taps, door handles etc.
 - Sporting trophies also look outstanding when given the 24carat gold treatment.
 - You can also apply silver, nickel, copper, plus a wide range of other finishes your customers might desire.

We have been supplying Mobile Gold Plating systems in Australia for over 15 years - use our experience and knowledge to start your business on the right track.
